Education

Diploma in Website Development (TAFE South Bank, QLD) — Jun 2021-Jul 2022

Summary

Being full of energy I'm looking for employment in IT industry. Having genuine interest in IT, began exploring deeply that area couple years ago to make a career change. Aiming to achieve sufficient foundation to become a professional I graduated at TAFE South Bank with Diploma in Web Development where I gained hands-on experience with JavaScript, ReactJS, NodeJS, Data Structures, APIs, SQL and non SQL (MongoDB) database, Bootstrap and tech principles and culture via both team/individual projects, code reviews and presentations. I believe my passion in solving complex tasks by applying modern IT solutions will be an asset to your company.
